The Honorable Peter B. Bensinger
Administrator, Drug Enforcement
Administration
Department of Justice
Constitution Ave. & 10th St. N.W.
Washington, D.C. 20530

Dear Peter:

Attached is the final version as revised and endorsed by the National Foreign Intelligence Board (NFIB) of the Critical Collection Problems Committee (CCPC) Study on Intelligence Activities Against Illicit Narcotics Trafficking. I find this study to be an exhaustive examination of the problems which we face in trying to collect and report foreign intelligence information on illicit narcotics activities and in working together against this important intelligence target.

I have directed the implementation of those actions which can be taken within the Intelligence Community. I have also forwarded the study to the National Security Council for implementation of those actions which transcend Intelligence Community boundaries. In addition, I have forwarded it to the Attorney General for action on those recommendations which involve the Department of Justice.

I should like to add my strong personal endorsement to these recommendations. I am confident that the Intelligence Community can work with your agency and the Department of Justice to ensure their effective implementation.

Sincerely,

/s/ George Bush

George Bush
Chairman
